

The Original Environmental Compliance Bootcamp™

The *Original Environmental Compliance Bootcamp™* delivers proven value to both those new to the environmental field and experienced professionals who want to take a fresh look at the full range of environmental compliance requirements. This course is very broad and is supported by a variety of other, topic-specific courses offered by the Institute.

Learning Objectives

- Understand the fundamental requirements of environmental laws and regulations
- Perspective on how requirements relate to one another and proven management strategies

Intended Audience

- Persons with either full-time or collateral duty EH&S compliance responsibilities
- EH&S managers, consultants, engineers, and attorneys
- Facility managers and organizational leadership

Format (*full agenda on website*)

- Modular presentations cover all principle environmental laws and implementing regulations
- Collaborative and comfortable atmosphere, with questions and discussion encouraged
- Regular breaks to allow students to stay in touch with office or attend to personal matters
- Coffee, drinks, and snacks throughout the day

Students Receive

- EH&S background primer sent in advance of course
- Hard copy of all slides and instructional/supporting information in convenient reference binder
- Guidance documents and useful references on a flash drive
- Access to instructors for follow-on questions
